Re: Notice of Water Service Interruption

Dear Resident:

This letter serves as notice that your water service will be temporarily interrupted on Tuesday May 8 between the hours of 8am and 5pm. It is possible that due to unforeseen construction impacts the water service interruption could be delayed a day later to Wednesday May 9. For updates on this service interruption, please visit our website at <http://libertylake.org/public-notices/>. We will restore service as quickly as possible. This interruption is due to an important water main connection at Clubhouse Rd. and 1st Ave. as part of the Eastside Water System Improvement Project.

If you have any questions or comments please call our on-site representative Chad Jennings (509) 370-8771 or the LLSWD Office at (509) 922-5443. Thank you for your patience and understanding.

Sincerely,

A handwritten signature in blue ink, appearing to read "BiJay Adams".
